

The Central Illinois Musky Hunters Newsletter

Greetings Fellow Musky Hunters,

It's cold out, sports shows are in full swing, and many of us are getting anxious for our first cast of the season. Likewise, our club is getting geared up for an exciting year in 2007.

We are kicking off with an overview of Kincaid Lake with guide Al Nutty. Listening to AL speak is always a fun experience, and I encourage you to stop by if you have the opportunity. Al will also have copies of his new books available for purchase. Then in March, we will be hosting "An evening with Jim Saric" at the Interstate Center. This event is totally FREE of charge. Think of it as a thank you for years of continued support from us on the executive committee to you. In the following months, we have organized several events and outings are sure to be fun for all who attend. The next couple of pages provide an overview of the events, as well as dates and times.

As always, we can use any assistance that we can get. So if you or someone that you know might be interested in participating in the day-to-day operation of our club please let me know. If you would like further details on any of these events or club participation feel free to call me at (309) 264-3730 or email me at jeffgillis@yahoo.com.

Our membership meetings are held in Bloomington at the White Oak Lake Pavilion, 1514 N. Cottage in Bloomington. This is a smoke free hall. Meetings are held on the third Wednesday of each month starting at 7:00 PM. Our meetings are always open to the public free of charge. We strive to make the club fisherman and family friendly!

In February, guide Al Nutty will be speaking about the musky fishing at Kincaid Lake with the aid of aerial photos.

We will not have a March meeting due to an exciting event. The club will be presenting “**An Evening with Jim Saric**”. Jim Saric is the Host and Executive Producer of The Musky Hunter television series, Editor and Publisher of Musky Hunter Magazine, and a seven-time musky tournament winner. He is a feature host of Midwest Outdoors television and a contributing writer for In-Fisherman, North American Fisherman and Fishing Facts magazines. Jim will be speaking on March 31 at the Interstate Center in Bloomington. Doors will open at 5:15. There will be door prizes and refreshments. The best part is that there will be **free admission** and **free parking**. You don't want to miss this great event.

April will be another fun event. We will be holding a tackle swap. Bring your old baits to trade or sell!

04/18/07 White Oak Pavilion 7 pm

In May we will be going outside and using White Oak Lake for lure demonstrations. This is a great time to learn to fish different baits! Some people get intimidated by muskie lures and feel that they don't know how to use them. This meeting is for you. Bring anything you want to learn to fish or pick from the hundreds we will have on hand to try.

05/16/07 White Oak Pavilion 6 pm

In June we will be going to the Jake Wolf fish hatchery for a tour of the facilities and then we will have an outing on Spring Lake North. This event will be on a Saturday. We will release more details about this event later on this spring.

To be announced...

We don't meet in July or August and will pick back up in September. We will update everyone on our programs for September, October and November later on in the summer. 2007 will be an exciting year for The Central Illinois Muskie Hunters, Muskies, Inc. Chapter 27.
